### CLUB NEWSLETTER JULY 2018

---

**Secretary's Ramblings.** The six made it to Poland and back without major problems. We only just made it to the ferry in time however, having taken the scenic route via Helmsley!

However, getting the bikes secured on the ferry was straightforward and we soon retired to the bar. A pint of Guinness was £4.20, which is ok as long as you view each pint as equivalent to a pork chop. Food was very expensive; breakfast being £12. All six bikes survived the trip with only minor glitches, and I intend to run through the 2 week event over the next few newsletters.

**Barbeque.** The club Summer BBQ will take place on Sunday 19 August. It is the time to celebrate the club's 25<sup>th</sup> Anniversary. It will be the time to wear the new T-Shirt with the club logo and 25 Years embroidered alongside.

**NEC Coach Trip.** Will take place on 22 November. As usual, departure will be at 6 a.m. from Yarm Town Hall, with breakfast enroute at Morrison's. Get your name down early! Norman Simpson is ready to take your money; see him at the next club meeting.

**THE END GAME.** More jokes from some good friends at home and abroad.

A Husband takes his wife to play her first game of golf. Of course, the wife promptly hacked her first shot right through the window of the biggest house adjacent to the course. The husband cringed, 'I warned you to be careful! Now we'll have to go up there, find the owner, apologize and see how much your lousy drive is going to cost us.' So the couple walked up to the house and knocked on the door. A warm voice said, 'Come on in.' Opening the door they saw the damage that was done: glass was all over the place, and a broken antique bottle was lying on its side near the pieces of window glass. A man reclining on the couch asked, 'Are you the people that broke my window?' 'Uh...yeah! , sir. We're sure sorry about that,' the husband replied. 'Oh, no apology is necessary. Actually I want to thank you. You see, I'm a genie, and I've been trapped in that bottle for a thousand years. Now that you've released me, I'm allowed to grant three wishes. I'll give you each one wish, but if you don't mind, I'll keep the last one for myself.' Wow, that's great!' the husband said. He pondered a moment and blurted out, 'I'd like a million dollars a year for the rest of my life.' 'No problem,' said the genie 'You've got it, it's the least I can do. And I'll guarantee you a long, healthy life!' 'And now you, young lady, what do you want?' the genie asked. 'I'd like to own a gorgeous home complete with servants in every country in the world,' she said. 'Consider it done,' the genie said. 'And your homes will always be safe from fire, burglary and natural disasters!' 'And now,' the couple asked in unison, 'what's your wish, genie?' 'Well, since I've been trapped in that bottle, and haven't been with a woman in more than a thousand years, my wish is to have sex with your wife.' The husband looked at his wife and said, 'Gee, honey, you know we both now have a fortune, and all those houses. What do you think?' She mulled it over for a few moments and said, 'You know, you're right. Considering our good fortune, I guess I wouldn't mind, but what about you, honey?' 'You know I love you sweetheart,' said the husband. 'I'd do the same for you!' So the genie and the woman went upstairs where they spent the rest of the afternoon enjoying each other. The genie was insatiable. After about three hours of non-stop sex, the genie rolled over and looked directly into her eyes and asked, 'How old are you and your husband?' 'Why, we're both 35,' she responded breathlessly. 'No shit,' he said. 'Thirty-five years old and you both still believe in genies?'

Wife says to husband "Would you like me to slip into something nice for you tonight?" Husband replies "How about a coma?"

I bought a new wig made from bum hair. Trouble is, it keeps blowing off!  
Here's a tip for Doncaster Races next week: CREOSOTE at 7 to 1. Apparently it is very good over fences.

The other night my woman accused me of only wanting sex when I was drunk! "Not true" I said. "Sometimes I want a kebab!"

Yesterday the Irish authorities uncovered a mass grave of dead snowmen. Further investigations revealed that it was actually a field of carrots.

Two guys were roaring down the road at top speed on a motorcycle when the driver pulled over. His leather jacket had a broken zipper and he told his friend, "I can't ride any more with the air hitting me n the chest like that." "Just put the jacket on back to front" his friend advised. They continued down the road but around the next bend they lost control and were wiped out. A nearby farmer came across the scene and called the police. They asked him "Are they showing any signs of life?" "Well" the farmer explained, "the driver was until I turned his head around the right way!"

If you think life is crap, imagine what it's like to be an egg. You only get laid once; you get smashed only once, and the only bird to sit on your face is your mother!

A new type of biscuit has just been released on the market. The biscuits are called 'Clitoris Creams' and after just one lick it is guaranteed that you will want to eat the whole box! Apparently the ginger ones are an acquired taste!

Kermit the Frog took his computer to a repair shop. The staff were concerned about the large number of pictures of Miss Piggy posing in the nude on various lily pads and grassy banks. The 'Naughty Police' were called in to investigate. The police said it was the worst case of Frog Spawn they have ever seen!

Today I found my first pubic hair. Normally it wouldn't bother me, but I did find it in a locally made sausage roll!

Over the years we have lost Johnny Cash, Bob Hope, Steve Jobs and Jimmy Saville. Now there is no money, no work, no hope and nobody to fix it!

A guy goes to the supermarket and notices an attractive woman waving at him. She says "Hello!" He's rather taken aback because he can't place where he knows her from. So he says, 'Do you know me?' To which she replies, "I think you're the father of one of my kids." Now his mind travels back to the only time he has ever been unfaithful to his wife and says, 'Are you the stripper from the bachelor party that I had sex with on the pool table with all my buddies watching while your partner whipped my butt with wet celery?' She looks into his eyes and says calmly, "No, I'm your son's teacher."

Simple Men: The phone rang for the fourth time that night and the husband picked it up in a rage. He listened for a moment and then bellowed "How the hell would I know? You want the weather centre you berk!" "Who was that, darling?" asked his wife, innocently. "I don't know, some twerp asking if the coast was clear!"

Man goes to an ironmongers to get some screws. "How long do you want them?" asked the shopkeeper. "Well, actually, I was hoping to keep them," he replied.

Man falls overboard from a cruise ship and is washed up on a desert island. The only inhabitant on the island was a beautiful woman, who nursed him back to health. When he had fully recovered she asked him if he would like to play a round. He looked at her in astonishment and replied, "I can't believe my luck. All this and you've got a set of golf clubs too!"

"Mr Petersen, I have listened very carefully to your case," said the divorce judge, "and I have decided to award your wife £450 a month." "Well, thank you very much Your Honour, that seems very generous," replied Mr Petersen. "I'll try and throw a couple of quid in myself each month."

A pregnant woman comes round in a hospital ward several weeks after a serious car crash. "Congratulations Mrs Brown, you gave birth to twins last week. They are being looked after by your brother" says the doctor. "Oh no!" she wails, knowing that her brother is a bit of an idiot. "What has he called them?" The doctor replies, "He's called the girl Denise." "Oh, that's nice," she says thankfully, "and what has he called the boy?" "De nephew."

The demolition crew are getting on well, razing the old building to ground level. Eventually only the cellar is left and when the crew entered the one remaining room they were horrified to see a skeleton in the corner. All that was left were the bones and a bright green sash, which read: "Irish Hide and Seek Championship Finals 1949."

What's the difference between a man and a supermarket trolley? A supermarket trolley has a mind of its own.

A famous Hollywood star was standing naked at the bedroom window doing his exercises. Suddenly his wife came into the room, rushed over to the window and pulled the curtains. "You idiot," she hissed, "if people see you they'll think I only married you for your money."

Harry, the old skinflint, was sitting by his wife's bed. She was desperately ill and had very little time to live. "Martha," he whispered, "I've got to get down to the post office to collect my pension. If you feel yourself going before I get back will you turn the light off?"

What do you call a woman who knows where her husband is all the time? A widow. While his wife was still alive, the husband bought her a headstone engraved with the words "Here lies Doris, cold as usual." The wife was so angry she immediately went out and got a headstone for him, with the words "In memory of Fred, stiff at last."

No woman has ever shot her husband while he's been Hoovering. Adam said to Eve, "Do you love me?" She replied, "Who else?"

Why does it take millions of sperm to fertilise one egg? Because not one of them will stop and ask for directions.

Walking down the street a man saw a beautiful girl coming towards him, wearing the tightest pair of jeans he had ever seen on anyone. "Excuse me, Miss," he enquired, "I hope you don't mind me asking, but how could anyone get into such a tight pair of jeans?" She replied, "Well, you could start by buying me a glass of wine."
