CLUB NEWSLETTER November 2019

Ramblings. Well the Autumn weather is upon us and the salt is already copiously spread, so after riding out we now have to get rid of the stuff. Never mind we can still get out on fine days.

A few of us stopped the Dales centre in Stanhope, the cafe there is very good best steak pie I have ever had.

Take extra care as the plough jockeys are late with muckspreading, ploughing & seeding so there`s lots of potential muck around that next bend.

I am still looking for a right hand side choke lever for my PuttPutt throttle. Does anyone know where I can get an aftermarket rev counter for my Honda CRF 250 L, I had to return the one I got as it had no wiring diagram with it & the seller was most surprised when I asked for my cash back, he did send it though minus the postage cost. I guess the moral is be careful with you deal with on the net.

Barbeque . Look out for the date of the next BBQ to be held in the New year

The balance of your payment is now overdue please get in touch with Norman and pay him, we don`t want him getting stressed

Potholes!!! They are everywhere and ruining everyone's driving experience. So when you see one report it to the council then they have to repair it. This is a subject which drives me nuts as nobody seems to check the quality of the repairs which are generally based on chucking some cold set bitumen in the hole and tamping it down. No proper cutting out cleaning up and sealing of the edges. So they just fall to bits quickly. Good if you are getting paid to do the shoddy repairs.
